

RYFP World Refugee Day Poster Contest 2009

April-June 2009

The Miami-Dade RYFP is seeking kids who are interested in drawing and painting to participate in our World Refugee Day Poster Contest!

The first planning meeting will be held on Saturday, April 25, 2009. We would like children and parents to attend this first meeting, where we will also explain this group project in greater detail.

Bring your ideas and your creativity and get ready to show your artistic talents and have fun!
